

CARDEN ACADEMY OF MAUI

Middle School Curriculum

The goal of the middle school program is to encourage students to develop intellectual curiosity, and to equip them with the skills necessary to explore and express their ideas. We also strive to instill a sense of individual character as well as a sense of community.

- English, Math, and Science are taught daily.
- Social Studies, Literature, French, P.E., Electives, and Project Based Learning meet 2-3 times per week.
- The elective program gives students an opportunity to choose from a variety of different classes according to their interests. In the past, classes have included photography, carpentry, dance, drama, ukulele, D.J. technology, gardening, 3D art, bookmaking, printmaking, and yearbook.
- Project Based Learning (PBL) is an integrated middle school class that allows students to explore and research real-life problems and to work collaboratively to find solutions.
- Student Council, Town Meetings, and opportunities for student advocacy and community outreach are an integral part of the middle school program.
